"LAND REGISTRY ACT"

HIS HONOUR the Lieutenant-Governor in Council, by Order in Council No. 641, dated March 23rd, 1956, has been pleased to report that it is proposed, in accordance with the provisions of the "Land Act," to grant to the Westcoast Transmission Company Limited, a company incorporated by a special Act of Canada (hereinafter called "the Company"), rights-of-way over certain Crown lands for the purpose of constructing and operating a pipe-line in connection with the Company's undertaking:

That the Company has submitted that it would be expedient and in the interests of all concerned if the title conferred by these grants could be registered under the provisions of the "Land Registry Act":

That the "Land Registry Act" permits registration of these estates only where the title of Her Majesty appears in the register, and accordingly the Legislature has endowed the Lieutenant-Governor in Council with power to make regulations permitting and governing the registration of these estates as enacted by section 257 (2) of the "Land Registry Act":

That in certain areas the grant will be issued on the basis of a preliminary or interim type of plan of the right-of-way, based upon the plans prepared for the Board of Transport Commissioners, showing a width of the right-of-way of eighteen hundred feet, in order to allow sufficient width to determine

the dimensions of the right-of-way when the pipe-line is actually constructed, and that the width of the final right-of-way will, except in special cases, be reduced to sixty feet, and it is therefore expedient to prescribe regulations governing the preliminary and final surveys of the right-of-way:

And to order that, under the provisions of the "Land Registry Act" and all other powers thereunto enabling, the following regulations be made:—

1. A Crown grant of the right-of-way in favour of the Company shall be transmitted to the proper Land Registry Office, and when received the Registrar shall enter Her Majesty as the owner of the land described in the Crown grant in the register; and upon application being made for the registration of the Company's title to the right-of-way, and upon compliance with the provisions of the "Land Registry Act" and of these regulations in so far as they are applicable, shall register the title by endorsing a memorandum thereof on the register; provided that the boundaries of the land described in the Crown grant and in the register shall be subject to amendment to conform with the boundaries as defined by the final plan, as under Regulation 4, and in accordance with the procedure prescribed under Regulation 5.

2. On completion of construction of the pipe-line the right-of-way shall be reduced and surveyed to a total width of sixty feet, except where a greater width is deemed necessary, and subject to the approval of the Surveyor-General.

3. Where the final location of the pipe-line is determined before construction, the final survey may be made before construction, except for posting, but such posting shall be carried out within eighteen months after the completion of construction of the pipe-line.

4. Within eighteen months after completion of construction of the pipe-line, the Company shall prepare a final plan of the right-of-way, based upon a survey in accordance with the provisions of the "Land Registry Act" and the regulations which the Surveyor-General has issued or may issue, and shall deposit such copies of the plan with the Surveyor-General as he requires. The Surveyor-General shall, after approval, transmit the necessary number of copies of the plan to the proper Land Registry Office for deposit.

5. When the final plan has been deposited in the proper Land Registry Office, the Registrar shall amend the register which shows Her Majesty's title to the land comprising the right-of-way and the title of the Company by striking out the description of the land therein and substituting therefor the description of the land according to the final plan, and shall endorse a note of the Order in Council on the register; the latter description shall limit and govern the boundaries of the right-of-way, and shall relate back to and have the same force and effect as if that description were contained in the original Crown grant of the right-of-way and registered in the register.

Any obligations pursuant to this guarantee shall be chargeable upon and payable out of the Consolidated Revenue Fund of British Columbia.

Dated at _____, B.C., this _____ day of _____, 1956.

4. For the purposes of the Act and these regulations:—

- (i) "Minister" means the Minister of Agriculture;
- (ii) "Act" means the "Distress Area Assistance Act," 1956;
- (iii) "Distress area" means any area so declared by Order in Council No. 560, dated March 16th, 1956;
- (iv) "Province" means the Province of British Columbia;
- (v) "Responsible officer of the bank" includes manager or assistant manager of a branch of the bank or the person for the time being acting as such manager or assistant manager.

5. Replanting of crops shall include:—

- (i) The purchase of strawberry, loganberry, and raspberry plants and grape-vines for the purpose of replacing acreages of these crops in the distress areas or parts thereof set forth in section 1, subsection (i), of these regulations;
- (ii) The purchase of the following nursery stocks: Broad-leaved evergreens, coniferous evergreens, deciduous shrubs, understocks for tree-fruits, and understocks for roses, for the purpose of replacing acreages of these plants in the distress areas set forth in section 1, subsection (ii), of these regulations;
- (iii) The cost of initial cultivation and planting of the plants mentioned in this section, including the cost of fertilizers and labour.

6. A bank is not required to make any loans nor to take any security for loans made under the Act, but where, in the opinion of a responsible officer of the bank, security is required or advisable, the bank may take such security as the responsible officer considers appropriate in the circumstances.

7. An applicant for a loan shall submit a signed application in the prescribed form, and a responsible officer of the bank shall scrutinize and check the application with the care required of him by the bank in the conduct of its ordinary business and, if the loan is made, shall certify that to the best of his knowledge the conditions and purposes of the loan are such as to qualify it for a guarantee under the Act and these regulations.

- (i) The applicant for a loan shall be required to sign a declaration in the prescribed form that he is a farmer as defined in section 2 of the Act, that he is in possession of a farm within a distress area or a portion thereof as indicated in section 1, subsections (i) and (ii), of these regulations, and that he has lost, as a result of abnormal frost conditions, all or the greater portion of his plantings of a crop or crops set forth in section 1, subsections (i) and (ii), of these regulations;
- (ii) Where a farmer applies for a loan for replanting on land which he is purchasing under agreement of sale, his application must be accompanied by approval thereof in the prescribed form from the registered owner of the land concerned;
- (iii) Where a farmer applies for a loan for replanting on land which he is leasing, his lease should be for a period that extends to November 1st, 1962, and his application must be accompanied by approval thereof in the prescribed form from the registered owner of the land;
- (iv) The completion of the application and declaration and relevant certificates and approvals shall be conclusive evidence that the applicant is eligible for a loan under the Act.

8. Terms of loan:—

- (i) The aggregate amount loaned under this Act to any one borrower shall not exceed \$5,000;
- (ii) The rate of interest shall be 5½ per cent per annum. Principal of the loan and interest shall be payable in the following manner:—

The first interest shall be due and payable on November 1st, 1957:

Interest and one-eighth of the principal shall be due and payable on November 1st, 1958:

Interest and one-quarter of the principal shall be due and payable on November 1st, 1959:

Interest and one-quarter of the principal shall be due and payable on November 1st, 1960:

Interest and balance of the principal shall be due and payable on November 1st, 1961; provided, however, that a loan and its interest may be paid at any time before November 1st, 1961:

- (iii) An application for a loan made under the terms of the Act and the regulations must be completed and submitted to a bank not later than May 31st, 1956. When an application for a loan has been approved, no advances thereunder shall be made later than October 31st, 1956.

9. If the borrower is in default in respect of any payment of principal or interest, the entire amount of the balance outstanding on the loan shall, at the option of the bank, thereupon become due and payable. Should circumstances arise which in the opinion of the bank make it apparent that a claim for loss will have to be made in respect to any loan, the bank, at its option, may declare such loan then due and payable.

10. Where the borrower is in default in respect of any payment of principal or interest and the entire amount of the balance outstanding on the loan becomes due and payable in accordance with section 9, the bank may take such steps, whether by legal proceedings or otherwise, as it considers advisable:—

- (i) To effect collection of the loan;
- (ii) To obtain whatever additional security it considers advisable in the circumstances;
- (iii) To realize upon its security, if any, to whatever extent it considers advisable; and
- (iv) To effect any compromise with, or grant any concession to, any person other than the borrower to the extent that it considers advisable,—

without in any way discharging the liability of the Province to the bank under the Act to any extent.

11. (i) A bank shall submit to the Minister on the prescribed form, not later than June 30th, 1956, a complete statement showing the names and addresses of farmers for whom loans have been approved under the provisions of the Act and the amounts thereof.

(ii) A bank shall submit to the Minister on the prescribed form, not later than November 30th, 1956, a complete statement showing the names and addresses of farmers to whom loans have been made and the total amount thereof, with any other pertinent information in relation thereto that in the opinion of the bank should be known to the Minister.

12. If, despite the fact that an application has been scrutinized and checked by a responsible officer of the bank with the care required of him by the bank in the conduct of its ordinary business, it is discovered that a false material statement has been made therein or that the proceeds of the loan have been or are being used otherwise than for the purpose specified in the application for the loan, the liability of the Province to the bank under the Act shall not for such reason be discharged to any extent.

13. A claim for loss by a bank in respect to a loan made under the Act may be made to the Minister at any time not less than ninety days after the entire amount of the loan becomes due and payable, whether the loan becomes due and payable in accordance with section 9 or otherwise. The amount of loss sustained by a bank in respect of a loan for which claim for loss has been submitted shall include:—

- (i) The unpaid amount of the loan;
- (ii) The uncollected earned interest calculated at the rate of 5½ per cent per annum until the claim is approved for payment;
- (iii) Any uncollected taxed or taxable costs and any disbursements for or incidental to legal or other proceedings in connection with the loan; and
- (iv) Legal fees, costs, and disbursements, whether taxable or not, actually incurred by the bank, whether with or without litigation, in collecting or endeavouring to collect outstanding loans or in protecting the interests of the Province.

A claim for loss shall be submitted to the Minister by the bank in writing. A claim for loss if the loan and the claim were made in accordance with the Act and these regulations shall be approved for payment by the Minister within sixty days after

receipt thereof and shall thereupon be paid forthwith. Upon payment of the loss in respect to a guaranteed loan being made by the Province to the bank, the bank shall execute a receipt in favour of the Province, and such receipt shall be mailed to the Minister by ordinary post, together with the promissory notes signed by the borrower, and the bank shall deal with any security held by it for the said loan as the Minister may direct and at his expense.

14. When the Province is required to pay a bank a sum of money in accordance with a guarantee made to a bank when a loan is made to a farmer under the provisions of the Act and the regulations thereunder, the Minister may forward to the Provincial Assessor of the assessment district in which the land in possession of the borrower concerned is situated a certificate containing a description of the aforementioned land and showing the total amount paid by the Province to a bank in respect to the guarantee of the loan concerned, and the Assessor shall add that amount to his assessment roll, and thereupon it shall be deemed to be Provincial taxes for all purposes of the "Taxation Act," and the provisions of that Act for collection and recovery shall apply.

15. If the land is situate in a municipality, the Minister may file a certificate to the like effect as the certificate mentioned in section 14 of these regulations with the collector of the municipality, and the collector shall add the amount named in the certificate to the collector's roll, and thereupon the amount shall be deemed to be taxes, and shall be subject to all the like incidents as are ordinary taxes upon lands in the municipality, and the provisions of the "Municipal Act" for that purpose shall apply thereto; and if the amount or any part thereof is collected, the amount so collected shall be transmitted to the Minister of Finance.

16. For the purpose of the Act and these regulations, the following forms be prescribed in terms of the draft forms attached hereto:—

Application for Loan under the "Distress Area Assistance Act."
